Musik und Text:
Sascha Vollmer &

Arrangement: Erwin Jahreis

Hehl! Don't gimme that! (Don't gimme that!) Hehl!
Don't gimme that! (Don't gimme that!)
Hehl! Don't gimme that!

Take my body, take my soul,
but don't take my rock 'n roll.
Don't you dare, I'll see red,
hold your tongue, but don't gimme that!

Take my money, take my car,
don't you take my guitar.
It won't play with you
Hoochie Koo, screw you.
Don't gimme that!

Oh baby, you can take everything,
it don't mean a thing,
anything to me. (Don't gimme that!)
But don't control my rock n roll, no, no.
Ah, ah, ah, ah, ah, ah.
Shut your head,
hey baby, don't gimme that!

Well give me double trouble, heartache and pain,
I'll take the blame, but don't gimme that! (Don't gimme that!)
Lock me up, put me in chains,
ain't too bad, but don't gimme that!

Do whatever you wanna do to me.
You cannot steal my esprit,
you're barking up the wrong tree.
Don't gimme that!

Oh baby, you can take everything,
it don't mean a thing,
anything to me. (Don't gimme that!)
But don't control my rock n roll, no, no.
Ah, ah, ah, ah, ah, ah.
Shut your head,
hey baby, don't gimme that!

Don't gimme that! (No, no)
Let me breathe! (Don't gimme that)
I want another survival.
I won't give up my dreams,
you cannot break my wings. (Oh, no)
Baby, I'm a survivor.
S'don't gimme that!

Oh baby, you can take everything,
it don't mean a thing,
anything to me. (Don't gimme that!)
But don't control my rock n roll, no, no.
Ah, ah, ah, ah, ah, ah.
Shut your head,
hey baby, don't gimme that!

Don't gimme that. Don't gimme that.
Don't gimme that. Don't gimme that.
