

So you face it with a smile there is no need to cry  
for a trifle's more than this  
will you still recall my name  
and the month it all began will you release me with a kiss  
have I tried to draw the veil if I have how could I fail  
did I fear the consequence  
dazed by careless words cosy in my mind

I don't mind I think so I will let you go  
I don't mind I think so I will let you go

Now you shaped that liquid wax  
fit it out with crater cracks sweet  
devotion my delight  
oh you're such a pretty one  
and the naked thrills of flesh  
and skin would tease me through the night  
now I hate to leave you bare  
if you need me I'll be there  
don't you ever let me down  
dazed by careless words cosy in my mind

I don't mind I think so I will let you go  
I don't mind I think so I will let you go

and I touched your face narcotic mind from lazed Mary Jane  
and I called your name like an addicted to cocaine  
calls for the stuff he'd rather blame  
and I touched your face narcotic mind from lazed Mary Jane  
and I called your name my cocaine

I don't mind I think so I will let you go  
I don't mind I think so I will let you go

I don't mind I think so I will let you go  
I don't mind I think so I will let you go
